## ABOUT US

The Mar Thoma Syrian Church of Malabar founded by St. Thomas, one of the twelve disciples of Jesus Christ, with its head quarters in Kerala, being indigenous in origin is deeply rooted in the socio-cultural milieu of India. Its leaders also took active role in the nationalist movement and the freedom struggle. The church has initiated a number of educational, social, medical and charitable activities all over the country and especially in North India over the last six decades.

The church believes that education is not just for the individuals but for the community at large. We uphold the Indian spirituality of learning, such as simplicity, holiness and obedience in our schools. Academic excellence, perfect discipline, personality development, and quality management system are our goals. 'Education with a human face' has been and will be our major thrust always.

## CURRICULUM

The curriculum and the syllabus are well designed for classes from Nursery onwards to prepare the students in accordance with the CBSE. The medium of instruction as well as communication is strictly English. The academic year is from April to March which is divided as per CBSE norms.

### OUR MOTTO

Academic Excellence  
Perfect Discipline

## HISTORY

Starting from a rented building during the academic session 2010-11 with strength of just 19 students, in ten years, we have crossed 1000. This increase is due to the special emphasis on improving conversational skills in English, imparting value education and focusing on personality development. The sprawling campus, the beautifully landscaped surrounding and the huge building of the Delhi Mar Thoma Public School is a dream come true for the people of Ghaziabad.

## OUR MISSION

Delhi Mar Thoma Public School Ghaziabad aims to be an institution of excellence, dedicated in producing leaders of tomorrow. DMPS treats each child as a unique individual by encouraging students to discover their talents and capabilities and achieve their true potential, so that they may reach the highest possible standard in everything they undertake by providing a variety of learning experiences.

## OUR OBJECTIVES

- To enhance the quality of life through education.
- To enhance the mutual respect among the students and the proper growth of personality.
- To promote intellectual excellence, uprightness of character, emotional maturity, spirit of healthy competition and cooperation.
- To promote awareness on the needs and rights of others, religious tolerance, communal harmony and national integration.
- To equip child with personal skills, intellectually competent, morally sound, respectful of the environment and receptive to the challenges of the continual growth for the betterment of the society.
